YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Elizabeth, your Personal Year cycle for 2022 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large.

There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself clearer and more focused and able to pursue and reach your goals. Your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused.

There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Joey, your Personal Year cycle for 2022 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

YOUR RELATIONSHIP FORECAST YEARLY

Elizabeth and Joey, your Personal Year cycle is a strong indication of the trends and circumstances you experience during the year ahead.

Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year.

Your Personal Year's Compatibility for June is 6 and 2

Elizabeth and Joey, this cycle's combination can be either positive or quite negative. There is usually no middle ground.

Joey might feel like they are slogging through mud in heavy boots - there is progress, but it may feel excruciatingly slow and require considerable effort. Your experience should be just the opposite, where it feels as if everything is there for the taking.

In a relationship, this combination can bring out the best in each of you or enhance your negative traits. For example, your optimistic, ambitious attitude could either be irritating to Joey or help to alleviate periods of frustration and anxiety. And Joey's effort and methodical approach could be an inspiring influence on you or put a damper on your dynamic energy.

To top it off, it is likely you will both be able to clearly recognize the effect you have on each other during this period. As a result, you will either feel love and appreciation or irritation and blame, depending on the way you respond to one another.

The key to getting the most out of this cycle is to be sensitive to each other's needs and state of mind. Try not to get so caught up in your own world that you lose touch with theirs.

Elizabeth, your Personal Year cycle for 2023 is 9

This is your year to finish up all unfinished business, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts.

On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with yourself. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Your creativity is higher than usual.

There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

Joey, your Personal Year cycle for 2023 is 5

This is a year of dynamic change. Many surprises will come your way. Be open and ready to embrace new opportunities. Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of

the opportunities that await you. There will be increased opportunity to travel and possibly a change of residence. You will have some unexpected adventures and lucky breaks this year.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

Your Personal Year's Compatibility for June is 6 and 3

Elizabeth and Joey, this cycle combination can be quite challenging. It is likely to be a trying time for you Elizabeth, as you question where to go next. Moreover, there may be few answers for many of your doubts and questions during this period. Your 9 brings the end of a cycle, which could make you feel a little worn out, emotional, or vulnerable. Do your best to stay positive; your next cycle should deliver a much more uplifting, inspiring, and powerful energy.

Joey should find a period with more energy (and less patience) than usual. Their 5 delivers dynamic drive and probably a change or two. Their ability to bring excitement and enthusiasm into the relationship could be an excellent tonic for you.

Both, the 5 and 9 cycles are about change; however, they are quite different in the way we experience them. The changes brought by the 5 tend to be the result of excitement, enthusiasm, and a desire to stir things up. Your 9 cycle has more to do with your personal evolution, the never-ending process of maturing.

The most important ingredient in making this cycle as beneficial as possible is patience. You will need it during situations that may seem unclear, and Joey will need to muster it to support you. If things get a bit challenging, keep in mind that although this cycle may not feel particularly compatible, every cycle is temporary.
